

**NCSSSMST**  
**Student Conference Application**

Due Date: September 4, 2008

Four to six students will be selected for the conference based on the application below. Considerations for selection include the items in the application (10 points each); the application overall, is it neat, complete and well written (10 points); academic performance (20 points); and citizenship performance (10 points) in the center. Academic performance ranks very high. An effort will be made to include students from grades 10-12 depending on the quality of applications. Students may participate for more than one year, again, depending on the applications submitted. Students who have not attended a previous conference will receive an extra 10 points in the evaluation of the application.

**Please use this two-page form. Do not add additional pages.**

How might you benefit from this trip in terms of your education/career plans?

How might you share what you learn with other students?

What contributions have you made to the Center? (Field trips, class officer, EXPO or other awards, participation in projects, etc.)

Have you attended a NCSSSMST Student Conference in the past (circle)    yes    no

Students are responsible for

- ◆ \$200 of the expenses (\$100 due September 12, \$100 due October 1) – non-refundable airline tickets will be purchased September 16.
- ◆ 1-2 meals during travel
- ◆ Individual Expenses (i.e. snacks, souvenirs, etc.)
